

2017 MEASURE ID CHANGES to AQI NACOR QCDR MEASURES

The Centers for Medicare & Medicaid Services (CMS) assign measure IDs for each registry measure approved for reporting in the Merit-based Incentive Payment System (MIPS). The table below indicates new measure IDs for AQI NACOR QCDR measures offered in AQI NACOR for 2017. Measure data submitted with an incorrect or outdated measure ID will not be calculated.

| 2016 MEASURE ID | **NEW** 2017 MEASURE ID | MEASURE TITLE |
|--------------------|-------------------------------|--|
