FINAL deadline for 2017 NACOR Quality Reporting registration and renewal is Tuesday

Practices who would like to register or renew for 2017 NACOR Quality Reporting must complete the [online order form](#) by Tuesday, October 31. More information about NACOR Quality Reporting is available on the [NACOR Quality Reporting Options and Mechanisms webpage](#).

Consent forms required for 2017 individual quality reporting

The Centers for Medicare & Medicaid Services (CMS) requires AQI's NACOR to collect consent forms from each Eligible Clinician who is enrolled in individual quality reporting for 2017. Practice champions and additional contacts of practices enrolled in individual reporting should expect to receive communication from AQI next week regarding the consent collection process. Log into your [NACOR Dashboard](#) to determine your quality reporting option.

Quality reporting resources at AQI's Virtual Office Hours

During AQI's [Quality Reporting Virtual Office Hours in October](#), AQI and ASA staff members addressed the reporting of Improvement Activities, NACOR merging and formatting services that are available for practices, and 2017 AQI quality reporting deadlines. Other topics included remaining options for 2017 quality reporting and the release of 2016 Quality and Resource Use Reports by CMS. The next Virtual Office Hours are scheduled on Tuesday, November 14, at [11 a.m.](#) and [5 p.m.](#)

Data file merging and format assistance available

All NACOR participants with data from multiple sources must submit data files merged and in xml format to AQI's data submission portal. Services are available for practices that need merging and formatting assistance. If you need help merging or formatting your data file, email askaqi@asahq.org to schedule a conference call. The deadline to request this service is December 15.
