Deadline for data file merging and formatting assistance – December 15

All NACOR participants with data from multiple sources must submit data files merged and in XML format to AQI's data submission portal. Services are available for a fee for practices that need merging and formatting assistance. For help merging or formatting your data file, email askaqi@asahq.org to schedule a conference call. The deadline to request assistance is Friday, December 15.

Quality reporting reconciliation to begin soon

As noted in the NACOR Standard Quality Reporting order form completed by practices at enrollment, AQI will soon begin reconciling purchased Eligible Clinician (EC) counts against actual data submitted. Please inform your practices that AQI will begin sending invoices where applicable in January, and all payments must be received by March 16, 2018.

For example, if a practice ordered quality reporting services for 10 CRNAs, but submitted data for 12 CRNAs, AQI will invoice for two additional CRNAs. If AQI does not receive payment for the two additional CRNAs by March 16, 2018, the additional CRNAs' data will not be submitted to CMS.
