2017 MIPS reporting for 90 consecutive days: Final deadline is October 2

Practices electing the partial year reporting option for MIPS must report on six measures, including one outcome measure, for 90 consecutive days to earn a neutral or small positive payment adjustment. The final 90-day period to start collecting data is October 2. For more information, visit the Quality Payment Program website

AQI's new NACOR data submission portal

All National Anesthesia Clinical Outcomes Registry (NACOR) participants and vendors must upload complete (merged and formatted) data files to AQI's new data submission process through ePreop.

Your practice/vendor recently received email instructions with new FTP account information. For assistance with ftp login credentials, file upload and file feedback reports, email
