2018 Final MIPS Scores

- MIPS Scores for 2018 reporting are now available.
- AQI does not have access to your scores.
- Login to the QPP website (qpp.cms.gov/login) using your HARP credentials to access your score.
- If you do not have a HARP account, you must request one.

HARP accounts can be obtained through the CMS enterprise portal. Click New User Application then select “PQRS: Physician Quality Reporting System” when asked to “Choose your application.”
If you suspect an error has been made in your score, you can request a targeted review by **September 30th, 2019**. Reasons to submit a targeted review:

- Measure or Improvement Activity Issue
- Eligibility and Special Status
- Extreme and Uncontrollable Circumstances

If you need assistance with your 2018 data email askaqi@asahq.org

More information is available on the QPP:

- [2018 Targeted review FAQs](#)
- [2018 Targeted review fact sheet](#)
- [Performance feedback fact sheet](#)
